

IRS ANNOUNCES QUARTERLY INTEREST RATES

Washington -- The Internal Revenue Service today announced that interest rates for the calendar quarter beginning July 1, 1998, will be seven (7) percent for overpayments, eight (8) percent for underpayments, and ten (10) percent for large corporate underpayments. The overpayment rate for the portion of a corporate overpayment exceeding \$10,000 will be five and one-half (5.5) percent.

Under the Internal Revenue Code, the rate of interest is determined on a quarterly basis, the rate on underpayments is one (1) percent higher than the rate on overpayments, and the rate for large corporate underpayments is two (2) percent higher than the rate on underpayments. The interest paid on the portion of a corporate overpayment of tax exceeding \$10,000 for a taxable period is the sum of the federal short-term rate plus one-half (0.5) of a percentage point. The interest rates announced today are computed from the federal short-term rate based on daily compounding determined during April 1998.

Rev. Rul. 98-32, announcing the new rates of interest, is attached and will appear in Internal Revenue Bulletin No. 1998-25, dated June 22, 1998.

Part III

Section 6621.-- Determination of Interest Rate

26 CFR 301.6621-1: Interest rate.

Section 6621 of the Internal Revenue Code establishes different rates for interest on tax overpayments and interest on tax underpayments. Under § 6621(a)(1), the overpayment rate is the sum of the federal short-term rate plus 2 percentage points, except the rate for the portion of a corporate overpayment of tax exceeding \$10,000 for a taxable period is the sum of the federal short-term rate plus 0.5 of a percentage point for interest computations made after December 31, 1994. Under § 6621(a)(2), the underpayment rate is the sum of the federal short-term rate plus 3 percentage points.

Section 6621(c) provides that for purposes of interest payable under § 6601 on any large corporate underpayment, the underpayment rate under § 6621(a)(2) is determined by substituting "5 percentage points" for "3 percentage points." See § 6621(c) and § 301.6621-3 of the Regulations on Procedure and Administration for the definition of a large corporate underpayment and for the rules for determining the applicable date. Section 6621(c) and § 301.6621-3 are generally effective for periods after December 31, 1990.

Section 6621(b)(1) provides that the Secretary will determine the federal short-term rate for the first month in each calendar quarter.

Section 6621(b)(2)(A) provides that the federal short-term rate determined under § 6621(b)(1) for any month applies during the first calendar quarter beginning after such month.

Section 6621(b)(3) provides that the federal short-term rate for any month is the federal short-term rate determined during such month by the Secretary in accordance with § 1274(d), rounded to the nearest full percent (or, if a multiple of 1/2 of 1 percent, the rate is increased to the next highest full percent).

Notice 88-59, 1988-1 C.B. 546, announced that, in determining the quarterly interest rates to be used for overpayments and underpayments of tax under § 6621, the Internal Revenue Service will use the federal short-term rate based on daily compounding because that rate is most consistent with § 6621 which, pursuant to § 6622, is subject to daily compounding.

Rounded to the nearest full percent, the federal short-term rate based on daily compounding determined during the month of April 1998 is 5 percent. Accordingly, an overpayment rate of 7 percent and an underpayment rate of 8 percent are established for the calendar quarter beginning July 1, 1998. The overpayment rate for the portion of a corporate overpayment exceeding \$10,000 for the calendar quarter beginning July 1, 1998, is 5.5 percent. The underpayment rate for large corporate underpayments for the calendar quarter beginning July 1, 1998, is 10 percent. These rates apply to amounts bearing interest during that calendar quarter.

Interest factors for daily compound interest for annual rates of 5.5 percent, 7 percent, 8 percent, and 10 percent are published in Tables 16, 19, 21, and 25 of Rev. Proc. 95-17, 1995-1 C.B. 556, 570, 573, 575, and 579.

Annual interest rates to be compounded daily pursuant to § 6622 that apply for prior periods are set forth in the tables accompanying this revenue ruling.
